Located in the highly sought-after Intake area of Sheffield, this beautifully presented family home offers spacious and versatile living accommodation with excellent potential for further development.

On the ground floor, the property features a entrance porch with space for coats and shoes, leading into a stunning hallway enhanced by an oak and glass banister. There are two generous and inviting reception rooms, one of which benefits from a charming bay window, providing a bright and comfortable living space. The well-equipped kitchen includes a range of wall and base units, an integrated double oven, gas hob, and an extractor fan, making it both functional and stylish.

Upstairs, the accommodation comprises three well-proportioned double bedrooms and a further single bedroom, ideal for a growing family or those working from home. The modern bathroom includes an enclosed shower, WC, wash basin, and a storage unit. A pull-down ladder provides access to the loft, which features two Velux windows. Currently used for storage, this space offers exciting potential to be transformed into a fifth bedroom, subject to the necessary consents.

Externally, the property benefits from a driveway and a roll-down garage door, with additional space for a second car. This space has the potential to extend to the side of the property—subject to planning permission—to create a spacious open-plan dining kitchen. To the rear, a private garden with patio and lawn offers a peaceful and secure outdoor space for relaxation and entertaining.

With gas central heating and double glazing throughout and no onward chain. Ideally located close to a wide range of amenities and boasting excellent transport links across the city, this property presents a fantastic opportunity in a prime Sheffield location.
