£1,500,000

Villa Marguerite & Langley 4 & 6 Millthorpe Lane

Holmesfield, Dronfield, S18 7SA

Offered to the Open Market with NO CHAIN!
This is a RARE AND UNIQUE OPPORTUNITY to acquire both VILLA MARGUERITE & LANGLEY- two spacious detached bungalows which are situated in a fabulous dual plot in the region of 1 acre. Offering extraordinary development opportunities!

Originally one plot, which has remained in the same family for 93 years, Langley was built first & then a second bungalow (Villa Marguerite) was built in 1977 & is ideally set behind Langley- with the possibility to re-organise & reunite the two sites. Of interest to a variety of buyers including families, those looking for a 'Grand Design' project and investors alike!

Situated in this extremely sought after village location the plot enjoys spectacular panoramic rear South & West facing views over the rolling countryside of the Cordwell Valley! Enviably situated, the properties are nestled in the heart of a highly regarded location on the fringe of the Peak National Park surrounded by open countryside and with a host of local amenities, renowned schooling & local hostleries. Easy access to Sheffield, Dronfield, & Chesterfield including train stations & hospitals.

Langley- Low stone walling & gated front entrance with long driveway providing ample parking for 2/3 vehicles & leading to the attached double garage. Well established gardens stocked with an abundance of mature trees, plants shrubbery & perennials. Fabulous privately enclosed rear gardens with York stone terrace running the length of the property & mature lawned garden. Substantial conifer screen boundaries & absolutely amazing countryside views!

Villa Marguerite- Entrance gateway and long driveway leads down to the bungalow and provides ample car parking spaces for several vehicles. Well established mature Laurel boundaries & side border lawns. The property enjoys established & mature gardens to all sides with private courtyard garden & extensive rear garden. Views to the Northern aspect could be restored by removal of foliage.
