52 COLLINSON AVENUE

DESCRIPTION

Step through the front door into a welcoming entrance hallway, leading first into a lovely cosy, forward-facing sitting room – the perfect spot to switch off at the end of the day.

Continue through and the house really starts to open up. The extended living space flows beautifully into a stylish dining area, with bi-fold doors opening straight onto the rear garden, creating that indoor/outdoor feel everyone loves. A well-appointed kitchen completes the space, making this a brilliant setup for busy family life, dinner with friends or summer entertaining.

Upstairs you'll find two generous double bedrooms, a further single bedroom and the family bathroom, along with access to a fantastic loft room – a hugely useful bonus space that could work brilliantly as a home office, hobby room, gaming den or simply additional space for the family.

And then there's the garden...

This is where this home really comes alive.

Beautifully landscaped and clearly designed to be enjoyed, the rear garden is packed with personality. There are multiple seating and entertaining areas, including an elevated decked area, gazebo and dedicated outdoor entertaining space, giving you plenty of options for morning coffee, summer BBQs or drinks with friends.

A large lawn, mature shrubbery and established borders bring everything together, creating a garden that feels private, colourful and beautifully maintained without being overly demanding.

To the front, the property continues to impress with a smart, manicured and low-maintenance garden, off-street parking and a garage.

Set on the ever-popular Collinson Avenue, you're also

brilliantly positioned for a wide range of shops, amenities, schools and transport links.

Stylish, extended, beautifully maintained and with an outdoor space you'll genuinely want to spend time in – this is one of those homes that looks good, feels good and is ready to simply move into and enjoy.
