Council Tax Band: D

An architecturally designed waterside detached home offering exceptional views and lifestyle appeal.

This stunning three-storey detached home, individually designed and built seven years ago, has been thoughtfully created to complement its picturesque waterside setting. Every aspect of this property has been carefully considered to maximise both light and panoramic views, offering an unparalleled living experience that blends contemporary design with tranquil waterside charm.

Ground Floor

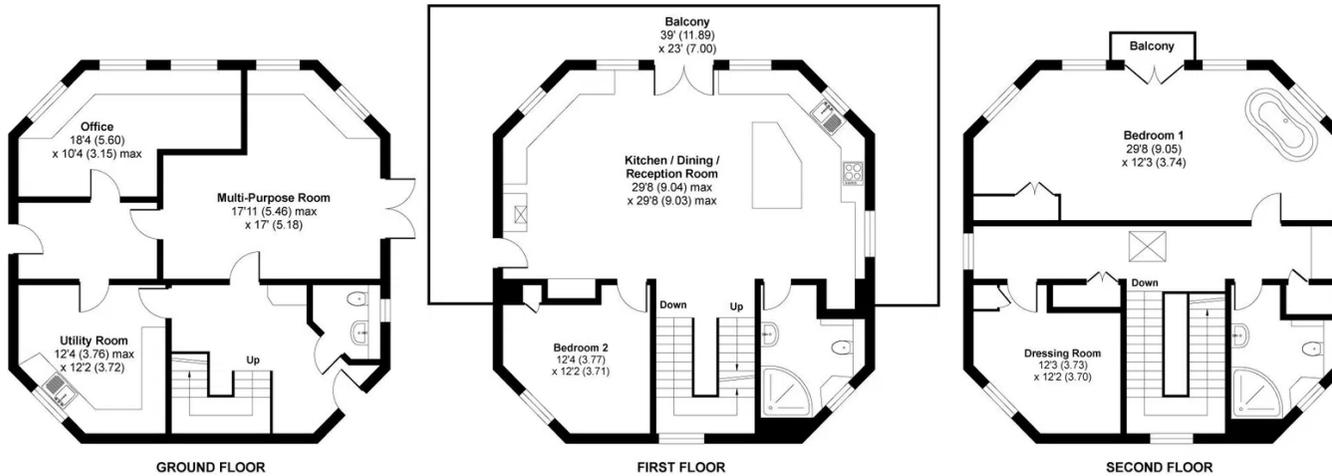

A welcoming entrance hallway leads into a versatile and well-proportioned room currently used as a home office. A practical utility room and a further home office and lobby with external door complete this level, providing functional spaces for both work and daily living.
