The property is approached via a front facing glazed uPVC entrance door which opens into the welcoming Entrance Hallway. From here, a staircase rises to the First Floor accommodation, whilst an internal door provides access into the spacious Lounge/Dining Room. The hallway provides a practical introduction to the home and leads naturally through to the principal living accommodation.

Lounge/Dining Room

A particularly spacious and versatile Reception Room enjoying a dual aspect outlook, with uPVC double glazed windows to both the front and rear elevations allowing plenty of natural light to flow throughout the room. The generous proportions provide ample space to create clearly defined sitting and dining areas, making this an ideal room for both relaxed everyday living and entertaining family and friends. A feature fireplace incorporating a living-flame electric fire creates an attractive focal point, whilst ceiling coving and two radiators complete the room. A further door leads conveniently through to the Kitchen.

Kitchen

A well-proportioned Kitchen offering an excellent range of fitted wall and base units, providing plentiful storage together with generous worktop and preparation space. A one and a half bowl sink and drainer is positioned beneath the rear-facing uPVC double glazed window, with an additional window to the side allowing further natural light into the room. There is space for a range-style cooker, washing machine and freestanding fridge/freezer, with ample room for a breakfast table and chairs, creating a practical space for informal dining. Further benefits include tiled flooring, tiled walls, radiator and a particularly useful understairs storage cupboard. A part-glazed uPVC external door opens directly onto the rear garden, ideal for everyday family living and outdoor entertaining.

A paved pathway provides access to the front entrance, whilst gated side access leads through to the extensive rear garden.

Rear Garden

The rear garden has previously been utilised as productive vegetable plots and provides a fantastic blank canvas for keen gardeners or families looking to create a substantial lawned garden, seating and entertaining areas. The generous space may also provide scope to extend the existing property, subject to obtaining all relevant planning permissions and consents. Existing features include a Greenhouse, Patio Area and Mature Hedging.

Adjacent to the property is a particularly useful Outbuilding incorporating a Utility Area with plumbing for a washing machine, sink and separate WC, providing valuable additional facilities away from the main accommodation.
