Located on Whitehills Way in the popular Kingsthorpe area of Northampton is this beautifully presented three-bedroom semi-detached family home, which has undergone extensive refurbishment and extension works in recent years. The current owners have invested significantly throughout, creating a modern, stylish home ready for its next owners to move straight into and enjoy.

Even before stepping inside, the improvements are clear to see, with the front of the property having been given a fresh new look alongside a driveway providing off-road parking for two vehicles.

The ground floor offers a spacious open-plan lounge/dining room, creating a fantastic space for family living and entertaining. Both areas retain their original open fireplaces, adding character to the modernised interior. Leading from the dining room is the extended galley-style kitchen, beautifully finished and offering plenty of worktop and storage space. Completing the ground floor is a useful downstairs WC.

Upstairs are three bedrooms, with bedrooms one and two benefiting from fitted wardrobes, alongside a modern family bathroom.

Outside, the rear garden has also undergone a complete transformation, with considerable investment made to create a generous, beautifully landscaped outdoor space, ideal for children, entertaining or simply enjoying the garden.

The location is another real highlight, particularly for families. The home sits conveniently between Whitehills Primary School and Buckton Fields Primary School, while Kingsthorpe College is also within walking distance. Local convenience shops are nearby, with larger supermarkets and further amenities available at Kingsthorpe Front.

A beautifully refurbished and extended family home, combining traditional character with modern living in an excellent and convenient Kingsthorpe location.
