Description

This impressive five-bedroom detached home occupies an attractive position overlooking the green, set away from the main thoroughfare of this desirable residential development. Well presented and cleverly arranged over three floors, the accommodation is ideal for growing families and those seeking versatile living space.

A portico entrance opens into a reception hall, where stairs rise to the first floor and matching doors lead into the principal reception rooms. To the right, the dual aspect sitting room features a focal fireplace with gas point and patio doors opening onto the rear garden. To the left, double doors lead into the dining room, which is also well suited for use as a study. The kitchen/dining room has been remodelled to provide a generous open plan space, with a range of gloss fronted wall, base and drawer units, integrated Bosch double oven and induction hob, dishwasher, and space for a freestanding fridge/freezer. The dining area is filled with natural light via inset ceiling rooflights and glazed double doors. From here, a separate utility room provides further cupboard storage, space for laundry appliances, and an external side door.

On the first floor, a further staircase rises to the second floor. The principal bedroom enjoys a dual aspect with views over the green and leads into a dressing area with fitted wardrobes and an en-suite shower room. There are two further double bedrooms on this level, each with fitted wardrobes, and a well-appointed family bathroom with panelled bath, wash hand basin and WC. On the second floor, bedrooms four and five both enjoy front-facing aspects and are served by a separate shower room comprising a tiled enclosure, pedestal basin and WC.

Location

Situated in a quiet and exclusive development of similar large homes, this property offers the perfect balance of seclusion and convenience. Located on the outskirts of this historic town, with its good range of shops, banks, supermarkets, restaurants, cafes, health centres, schools and public houses. Glastonbury is renowned for its Tor and Abbey Ruins and is some 6 miles from the Cathedral City of Wells. Street is 2 miles and offers more comprehensive facilities including Strode Theatre, Strode College, both indoor and open air swimming pools and Clarks Village with its complex of shopping outlets. Access to the M5 motorway can be gained at junction 23 some 14 miles distant, whilst Bristol, Bath and Yeovil are all within commuting distance.

To the front, a landscaped seating area has been created to enjoy the southerly and westerly aspects. The rear garden has been carefully terraced to capture the best of the sunlight throughout the day, with a pergola covered decking area for outdoor dining, mature shrub borders, and a paved patio off the sitting room. Outside power sockets and a water tap are installed. A secure side gate leads to the driveway, which provides parking for two vehicles in front of the double garage. The garage is equipped with power and light and features an electric up and over door.
