DESCRIPTION

Hunters Wetherby are proud to present to the market this three bedroom end of terrace house in the sought after town of Tadcaster.

Through the porch, you are welcomed into the spacious lounge, this is the ideal space for relaxation, with two large windows flooding the room with natural light.

Following from the lounge is the kitchen/diner, this recently fitted kitchen features a range of wall and base units, complimented by sleek work surfaces and integrated appliances such as the electric oven and gas hob, with space available for a dishwasher. Patio doors provide access to the rear garden.

The ground floor also offers the added convenience of a downstairs wc and utility room, which is comprised of a low level wc and provides space for a washing machine.

The first floor provides access to two bedrooms as well as the house bathroom. Bedroom one is a well sized double with a large window to the front allowing light to flood the space.

Bedroom two offers ample space for a single bed.

The house bathroom is comprised of a panelled bath with shower over, low level wc as well as a hand wash basin on a vanity unit.

A loft room can be found on the second floor and offers space for a double bed. This room also offers built in cupboards - such a rarity in this style of property.

To the rear, decking provides access to a paved patio area, where brick walls provide a boundary to neighbouring properties.

The front of the property is low maintenance with a paved path surrounded by brick and fence boundaries.

The property offers the potential of off street parking, subject to planning permission.

Located on the outskirts of the popular town of Tadcaster, the property offers great access to Leeds and York. The town lies within 1 mile or so of the A64 Leeds to York Road with York city centre some 10 miles and Leeds city centre within 15 miles. The A1M link is only 6 miles away with railway links in Ulleskelf (2.9 miles) and Church Fenton (4 miles).
