6 New Barnes Avenue

St. Albans, Hertfordshire AL1 1TG

A highly attractive 1920s-built four-bedroom detached house with a generous west-facing garden and detached garage, set in a peaceful cul-de-sac just over a mile from St Albans City Centre and the mainline station.

The accommodation opens with a welcoming entrance hall and turning staircase. The triple-aspect lounge features an Inglenook-style fireplace with French doors to the garden. There is also a bay-fronted dining room and a sociable kitchen/breakfast room with central island, which flows into a bright family room with part-vaulted ceiling and double doors to the garden. A downstairs shower room completes the ground floor.

Upstairs, the principal bedroom enjoys a triple aspect and fitted wardrobes, with three further bedrooms all offering built-in storage. A family bathroom, separate WC, and additional shower room serve the first floor.

Outside, the property has an established front garden, block-paved driveway, and gated access leading to a further driveway and detached garage with power and light. The circa 140ft west-facing rear garden enjoys a patio area, lawn and established borders, extending to an additional area currently used as a fruit and vegetable plot.

New Barnes Avenue is a quiet, family-friendly cul-de-sac within easy reach of the city centre, station, excellent local schools, and road links to the M25 and M1.
