CHERRY TREE COTTAGE

Welcome to Cherry Tree Cottage, 43 Silverdale Road, Yealand Redmayne, LA5 9TA

Cherry Tree Cottage is utterly charming in every respect. Enjoying far reaching panoramic views, this picturesque cottage is a happy union of period character features, tasteful décor, contemporary country style, good quality fixtures and fittings and spacious, well-proportioned rooms.

The double fronted cottage has a traditional layout which has been enhanced with a glazed garden room extension along the rear elevation which enables an abundance of natural light to flood the open plan living kitchen, itself offering space to cook, dine and recline in the snug. With extensive glazing and doors to outside it provides an instant connection with the garden and has a sociable flow for everyday family life and when entertaining. Also on the ground floor is a double fronted beamed reception room with space for both atmospheric formal dining to one side and at the other, a cosy seating area hunkered around the stove. The most perfect room for Christmas, it will decorate a treat! From here, a front door opens to the porch, creating a welcoming entrance for guests. Rising to the first floor are three double bedrooms, an ensuite shower room and a family bathroom.

Pretty and sunny gardens surround the cottage to three sides with neatly kept lawns, thoughtful planting in an English country garden style, a choice of seating terraces and a handy shed. A detached double garage is complemented by a gated driveway providing off road parking for several cars.

Exceptionally well placed and located within the Arnside and Silverdale AONB, this popular and well-respected village is sought after for many reasons; it offers excellent accessibility to the road and rail networks, ready access to the highly scenic surrounding countryside and local facilities in a choice of local towns are within easy reach.

Location

The villages of Yealand Redmayne and Yealand Conyers are set to the west of the A6 and M6 as they run between Kendal and Lancaster therefore offering great accessibility to the wider road network.

From the cottage you are soon onto the A6 and from there there's convenient access to the M6 motorway (at either junction 35 or 36) and also a choice of railway stations within easy reach, the nearest being Carnforth which offers regular direct services to Manchester Airport. For shops and local services, look no further than Milnthorpe (with a Booths supermarket), Carnforth (another branch of Booths is here as well as a Tesco, Aldi and Co-op), and beyond that, the city of Lancaster and Lakeland gateway town of Kendal.

This is a location for those that value the peace, quiet and the value of a strong local community that a well-respected village and neighbourhood has to offer. The local primary school is within walking distance as is Yealand Village Hall which hosts events and groups for the local community. If you choose to get involved there is lots to do.

'The Yealands' are surrounded by fabulous countryside, making this the ideal location for anyone appreciative of the great outdoors, not only is it within the Arncliffe and Silverdale AONB but the National Parks of the Lake District and Yorkshire Dales, the Forest of Bowland AONB and the Lune Valley are all easily accessible for day trips and wider exploration.

When the bright lights beckon, the nearest city is Lancaster which has much to offer all generations with an established cultural and music scene, bars and restaurants offering cuisines from around the world, an excellent range of national and independent retailers, a comprehensive provision of professional services, two universities (Lancaster and Cumbria) and both NHS and private hospitals.

This is a choice setting and a prime location; quiet, leafy and green, with first rate transport links and convenient access to local services.

“ *Needing to commute for work, location was an important consideration for us, here we are quickly onto the motorway and travelling by train from Carnforth station couldn't be easier or more convenient.* ”

Relaxed country styling

Cherry Tree Cottage is blessed with good views which draw you forward to fully take everything in. To the front the aspect panoramically faces east and includes Farleton Knott and Ingleborough in the far distance. Outlooks to the south and west are predominantly of the delightful cottage gardens; well stocked and colourful there is always something seasonal to admire.

The cottage is well presented throughout; a backdrop of gentle, muted colours thoughtfully chosen to reflect the colours of surrounding nature flow throughout the light filled and well-proportioned rooms. As well as the harmonious colour palette, the choice of materials reflects the natural world, there are wide pine floorboards in the main reception room, travertine stone tiles in the open plan kitchen, breakfast room and snug. The bespoke kitchen features painted wooden cabinets, granite and oak. The main reception room is beamed, there's a high stone 'Yealand' fireplace around the multi fuel stove, the staircase has an oak balustrade, a feature arch window looks down on the stairwell, internal boarded doors are traditional cottage style and two of the bedrooms as well as the bathroom feature painted wall paneling.

The kitchen and bathroom both have a classic country style, the joiner made handcrafted and painted kitchen offers excellent storage space and the bathroom has a roll top double ended bath, a square cut pedestal basin, a loo and separate shower cubicle. Ringing the changes, the ensuite is more contemporary with a three piece suite of a shower cubicle, wash basin and loo.

The cottage is wonderful for family get togethers or when we invite friends over. It has a welcoming feeling and the spaces are very sociable. With the two seating areas we can all be together but at the same time, do our own thing.

Step outside

Cherry Tree Cottage nestles in a sunny corner garden with elevations facing south, east and west.

To three sides, the surrounding delightful country gardens are well tended and amply stocked with a wide variety of cottage garden favourites with trees, flowering shrubs and herbaceous plants chosen to bring all year round colour, structure and a variety of foliage. Plentiful bulbs bring early colour in spring, roses bring colour and fragrance in the summer months.

Facing due east, the sun rises on the front of Cherry Tree Cottage in the morning, bringing sunshine into the principal and second bedrooms and the large reception room. The top seating terrace enjoys the sunshine until late morning making it the ideal spot to enjoy breakfast or morning coffee out in the garden. From noon, the sun has moved round and the screened and private lower flagged seating terrace is perfectly placed to enjoy lunch and a leisurely afternoon. To the side and rear are neat lawns edged with limestone edging stones, reflecting the impressive limestone pavements found locally in the AONB.

To the side of the cottage is a gated driveway, laid with block paving it provides parking space for three or four cars. The detached double garage is stone faced under a slated roof and has an area to the side that conveniently places bins out of sight. A wooden shed offers additional storage space.

“ *Sitting out in the garden is very quiet and peaceful; we find it very relaxing and restful. It's also wonderful for spotting wildlife, we have visits from deer, hedgehogs, rabbits and so many garden birds as well as pheasant and grouse.* ”
