

BEAUFORT GREEN

Point Pleasant, SW18

£750,000

A spacious split-level apartment with three double bedrooms, a well-balanced layout and multiple private outdoor spaces.

The third floor is centred around an open-plan kitchen, dining and reception room, creating a sociable main living space with room for clearly defined seating and dining areas. Dark timber flooring adds warmth, while wide windows and direct access to a private balcony bring in plenty of natural light.

Two double bedrooms are also positioned on this level, both with fitted storage and access to their own balconies. A modern shower room completes the floor.

Above, the principal bedroom occupies the fourth floor and offers a greater sense of privacy. The room includes a separate dressing area, an en suite bathroom and access to a further balcony, with open views across the surrounding development.

Point Pleasant is positioned close to the River Thames, the Thames Path and Wandsworth Park. Wandsworth Town and East Putney stations are within reach, alongside the shops, cafés and restaurants found across Putney and Wandsworth.
