Rushton Road

Desborough, NN14 2QD

Set on Rushton Road in Desborough, this brand new executive five-bedroom detached home has been built by respected local developers Britannia Homes, known for their premium finishes and attention to detail. Arranged over three storeys, the property offers generous, versatile accommodation that suits modern family life, entertaining and home working, while also benefiting from a single garage and a driveway to the front providing off-road parking. The ground floor provides a strong balance of reception space, with a comfortable living room and a separate dining room, alongside a standout kitchen/family room that creates the main hub of the home for day-to-day living and hosting, supported by a useful utility room and a convenient ground floor WC. Across the upper floors, the bedroom accommodation offers excellent flexibility, with multiple bedrooms, bathroom facilities and a top-floor principal suite that includes a dressing room and en-suite, creating a private retreat away from the main living areas. Outside, the rear garden is arranged over split levels and has been designed for low-maintenance enjoyment, with patio areas ideal for outdoor seating and dining, and a lawn providing space for children's play or relaxing in the warmer months. Overall, this is a high-quality new-build home in a popular Desborough setting, offering premium specification, practical parking and a layout that works brilliantly for modern family living.
