Description

Situated in the village of Dalmeny by South Queensferry, this substantial detached house is an exclusive family home that is finished to high standards. It boasts a multi-aspect living/dining room, a well-appointed kitchen, three large double bedrooms, and two bathrooms. It is in excellent decorative order and further benefits from private parking and private gardens. Inside, a bright porch welcomes you in, giving way to an equally well-lit hall, which immediately sets the standards of the accommodation with its quality finish and attractive styling. It offers built-in storage and a handy WC, and leads left into the living/dining room.

Spanning the depth of the home, this generously proportioned reception area has ample floorspace for comfy lounge furniture and a large table and chairs. It sees all-day sun from multi-aspect glazing, including a box bay window and French doors to the garden; plus, it is beautifully decorated in elegant hues and laid with a wood-inspired floor. A handsome focal-point fireplace completes the aesthetic. Accessed from the living area or the hall, the kitchen is arranged in a galley style, fitted with wood-toned cabinets and granite-inspired worktops.

It has plenty of storage and workspace, and comes with an integrated oven and gas hob. A neighbouring utility room supplements the kitchen. The three double bedrooms are upstairs, extending off a naturally-lit landing with storage. Each room is light and airy, featuring neutral décor and snug carpeting, as well as built-in wardrobes to maximise the useable floorspace.

The principal bedroom, with additional storage, also boasts a modern en-suite shower room, whereas the remaining bedrooms benefit from triple-aspect windows. A quality family bathroom completes the home, providing a four-piece suite that includes a toilet, a bidet, a washbasin, and a bath with an overhead shower. Gas central heating and double glazing ensure year-round comfort.

Outside, the property has gardens to the front, side, and south-facing rear, all of which are laid to lawn. Off-street parking is provided via a private driveway and an integral single garage, with convenient access to the hall.
