"I've really enjoyed living in such a central, well-connected spot where everything is right on your doorstep. Having the options of Waterloo Gardens with the coffee shop and deli, along with Wellfield Road and Roath Park just a short walk away is great for weekends. Commuting or getting into town is incredibly easy, with local bus routes and train links close by.
Once you're inside, the walled garden provides a really nice, private space to unwind, and the outbuilding/shed is incredibly handy for extra storage. It's just been a very easy, practical, and comfortable place to live."
