A Noble Development of Just 5 Luxurious New Homes named in Honour of local hero James Osborne VC, whose exceptional courage was recognised with the Victoria Cross, the highest military honour, instituted by Queen Victoria in 1857 and awarded by the Monarch for the most extraordinary acts of valour.”

James Osborne VC

PRIDE OF WIGGINTON 'A LEGACY PRESERVED'

Nestled in the heart of historic Wigginton, The Osborne Collection pays tribute to one of the village's most remarkable figures, James Osborne - a man whose courage and humility left a lasting mark on both his regiment and his home community. Born in Wigginton in 1857, Osborne served with the Northamptonshire Regiment and was awarded the Victoria Cross for his gallantry at Wesselstroom in the First Boer War, riding through heavy fire to rescue the wounded Private Mayes. In recognition of this extraordinary act of bravery, the road on which this collection sits is named Mayes Close, a quiet, lasting tribute to the life he saved.

After returning home, Osborne lived a quiet life working on the Rothschild Estate, embodying the same values of dedication, honesty, and craftsmanship that define this corner of Hertfordshire. His legacy endures not only in the village churchyard, where he rests, but also in the spirit of resilience and integrity that still characterises Wigginton today.

In that spirit, The Osborne Collection brings together traditional architectural detailing and refined modern design to create homes of enduring quality and charm. Surrounded by countryside yet moments from Tring and the Chiltern Hills, it offers a setting that honours the past while celebrating the best of contemporary rural living.

Our homes are thoughtfully designed to sit comfortably alongside the village's traditional architecture while providing the very best in modern living. Exteriors draw inspiration from the heritage styles of the area, with pitched roofs, quality brickwork, and elegant detailing that blends effortlessly into the surrounding landscape.

Step inside and the sense of space and light is immediate. Rooms flow naturally from one to the next, with layouts designed for the way we live today. Kitchens are fitted with the latest appliances, bathrooms feature high

quality finishes, and practical storage solutions are built in throughout. These homes are also energy efficient, with insulation, modern heating systems, and glazing that help keep running costs low.

Perhaps the greatest advantage of a new build home is the peace of mind it brings. Everything is fresh, new, and ready for you to enjoy from the moment you move in. With a neutral, stylish finish, you have the freedom to make the space entirely your own. Here you can enjoy all the charm and warmth of a traditional home, with the ease and efficiency of something built for the future.

BENEFITS OF CHARACTER NEW BUILD HOMES

“Crafted in classic brick to complement Wigginton’s village character, these new homes are built to stand the test of time.”

“

The Osborne Collection isn't defined by a street, but by a close. A tucked away corner where the world feels lighter and more personal. Side by side, sharing the same calm rhythm of everyday life and the simple comfort of knowing your neighbour.
