Living

Offered to the market chain free, this impressive and beautifully proportioned two double-bedroom upper ground-floor apartment offers an exceptional sense of space, private outside area and glimpses of the sea, all within easy reach of the heart of Broadstairs.

At the centre of the home is the exceptionally spacious kitchen/diner — a wonderful room designed as much for entertaining as it is for everyday living, with generous proportions creating a relaxed and sociable heart to the property.

A particularly large separate utility room provides excellent additional storage and practicality, keeping the main living spaces beautifully uncluttered.

Both bedrooms are generous doubles, with the principal bedroom benefiting from its own en-suite, complemented by a separate main bathroom.

Outside, the apartment enjoys both a balcony and garden area, offering welcome private space to sit, entertain or simply enjoy the coastal air, while glimpses of the sea provide a reminder of just how close you are to the beautiful Broadstairs coastline.

A secure lock-up garage is another significant advantage, providing valuable private parking and/or storage — an increasingly sought-after luxury in such a convenient location.

Perfectly positioned for embracing the Broadstairs lifestyle, the property places the town's independent boutiques, cafés and acclaimed restaurants within easy reach, alongside the seafront and sandy beaches for which the town is so loved.
