Property Description

Thomas Brown Estates are delighted to offer this three bedroom mid-terrace property, set back from the road and being offered to the market with the added benefit of no forward chain.

The accommodation comprises an entrance hallway, comfortable lounge/dining room and kitchen to the ground floor. To the first floor are three bedrooms, two of which are doubles, and a family bathroom.

Externally, the property benefits from a 65' tiered rear garden, along with a front garden (set back from the road on a bank) with on-road parking. Subject to the necessary planning consents, there is excellent potential to extend to the rear and/or into the loft space, with similar extensions having been carried out to other properties within the locality.

The property does require modernisation, which is reflected in the asking price, but offers an excellent opportunity for buyers looking to create and personalise a home to their own taste and requirements.

Whippendell Way is conveniently positioned for a range of well-regarded local schools, shops, bus routes and St. Mary Cray railway station, providing excellent transport links.
