Occupying an attractive position in the heart of the highly sought-after Dorset village of Milborne St Andrew, Corner Cottage is a beautifully presented detached part-thatched, part-tiled home that seamlessly combines period charm with modern comfort. Set within delightful landscaped gardens and complemented by a substantial detached garage, workshop and versatile ancillary accommodation, this exceptional village home presents a rare opportunity to acquire a quintessential Dorset cottage.

From the moment you arrive, the property's charm and character are immediately apparent. The distinctive thatched roof, white rendered elevations and mature gardens create a wonderful first impression, while a paved terrace provides an inviting space for outdoor dining and entertaining.

Internally, the accommodation has been thoughtfully arranged to balance character with modern family living. The impressive principal reception room provides an elegant yet welcoming space for both relaxing and entertaining. At the heart of the home is the generous kitchen/dining room, beautifully fitted with an extensive range of cream shaker-style units, ample work surfaces and a dedicated dining area. Exposed timbers, a tiled floor and underfloor heating add warmth and further enhance the cottage's character.

A particularly valuable feature is the versatile additional accommodation, comprising a study, bathroom and further bedroom. Connected to, yet offering a degree of separation from, the main house, this flexible space is perfectly suited to guest accommodation, multi-generational living, a home office or a variety of other uses.

Upstairs, the spacious principal bedroom benefits from extensive built-in storage, while a second double bedroom is served by the family bathroom. The characterful roofline adds further appeal, creating cosy and distinctive first-floor accommodation.
