Description

A bright entrance hall offers access into the living room and into the utility and there are stairs rising to the first floor with useful storage cupboard under. The ground floor space has an open plan feel with a spacious living room opening up to the kitchen/diner, which forms the extension to the rear of the property. The living room is tastefully decorated in a neutral colour scheme and has a large window to the front allowing for lots of natural lighting into this room, and there is a study area positioned to one corner, providing a space for anyone looking to work from home. The kitchen/diner is a well-planned out room with a large space for a family sized dining table and chairs and ample wall and base units providing storage options. Integrated appliances include double ovens, microwave, gas hob with extractor above and a dishwasher with further space available for additional appliances in a utility room located off the kitchen area.

Rising to the first floor you will find three well-proportioned bedrooms, two doubles and one single, with all bedrooms having fitted bedroom furniture. A main family bathroom is fully tiled and includes a panelled bath with shower over, wash hand basin and close coupled w.c. Viewers will note that there are lovely, white painted, window shutter blinds to all of the windows on the ground and first floor levels.

At the rear of the property, you have a well-maintained garden which commences with a block paved patio leading into neat artificial lawns, with borders to the sides planted with mature shrubs and plants. There is also a raised pond. To the bottom of the garden, you have pedestrian access into the double garage, which is accessible by car from the rear, via a locked gated entrance. At the front of the property there is further parking for two vehicles on a secure driveway which for peace of mind is fitted with lockable security bollards.
