Location

Braunton is well known for its passionate community spirit and is rumoured to be the largest village in England with the famous stretch of Sands, Braunton Burrows. The hustling village offers an abundance of activities and eateries, all locally run.

North Devon has a wealth of simply stunning golden sand beaches and has long been a mecca for British surfers. The area has recently been declared a 'world surfing reserve', one of just 12 places on the planet along with the Australia's Gold Coast and Malibu in California. For a change of scenery Exmoor National Park offers breath-taking rolling countryside, perfect for avid walkers.
