## Denise White Estate Agents Comments

Tunstall Sytch Farm is an exceptional equestrian and lifestyle property occupying a prime position on the edge of the highly desirable village of Caverswall, within one of the most sought-after areas of the Staffordshire Moorlands. Set within approximately 16 acres of well-maintained land (with an additional 20 acres of adjoining land available by separate negotiation with a third party), the property presents a rare opportunity to acquire a substantial family home alongside first-class equestrian facilities and an established business infrastructure, offering tremendous potential for a variety of lifestyle and commercial pursuits.

The land is thoughtfully divided into a number of grazing paddocks, all benefiting from professionally installed drainage systems, fresh water supplies and automatic water feeders, ensuring excellent year-round usability. The impressive equestrian facilities include a substantial barn housing ten internal stables, together with a secure tack room and rug storage loft. Adjacent to the stable block are a ménage and horse walker, providing excellent facilities for training and exercising horses.

Across the yard are a range of additional outbuildings offering extensive storage for vehicles, machinery and agricultural equipment, whilst also presenting opportunities for workshop space or alternative business uses. The property is further enhanced by its established five-star dog breeding facility, comprising purpose-built whelping kennels connected directly to the farmhouse, together with six external kennels, each benefitting from individual outdoor runs.

To the rear of the property stands a traditional stable block, part of which is currently utilised as a utility room. This building offers exciting scope for conversion into ancillary accommodation, home office space or holiday accommodation, subject to the necessary planning permissions and consents.

The farmhouse, believed to date from the mid-19th century, offers spacious and versatile

accommodation extending over two floors. A welcoming entrance hall provides access to two generous reception rooms, both ideal for family living and entertaining. These rooms flow through to a conservatory enjoying views over the gardens, whilst the heart of the home is undoubtedly the impressive breakfast kitchen, fitted with a range of high-quality oak units complemented by granite work surfaces. A useful utility room, downstairs WC and rear hallway provide practical access to the dog breeding facilities.

To the first floor, the property offers five well-proportioned double bedrooms. The principal bedroom benefits from a recently fitted en-suite bathroom, whilst the remaining bedrooms are served by a family bathroom.

The gardens are positioned to the front of the farmhouse and have been beautifully maintained to create an attractive and private setting. Paved patio seating areas provide ideal spaces for outdoor entertaining and relaxation, whilst extensive lawns extend away from the property, enjoying delightful views across the surrounding paddocks and open countryside.

Tunstall Sytch Farm represents an outstanding opportunity to acquire a versatile country property with exceptional equestrian credentials, established business facilities and considerable scope for future development. Whether sought as a private equestrian residence, smallholding, dog breeding enterprise, livery yard or riding school, the property offers an enviable combination of lifestyle, business potential and rural charm.
