IF YOU LIVED HERE

You'll be welcoming family and friends to enjoy all the benefits of this classic victorian home – impeccably decorated throughout, the impact is immediate. The lounge/diner features original timber floorboards underfoot, dual aspect windows and neutral tones throughout.

Move into the kitchen and you have a suite of royal blue newly painted cabinets with wood effect worktops and white splash back tiles. Through the patio door here and you're in the garden – a mix of

patio (ideal for al fresco gatherings), low maintenance lawn and flower beds.

Back inside and you'll find two bedrooms on the first floor with an additional study room – a front-facing generous double with twin windows, hardwood floors underfoot and built in storage. To the rear you have a single with lush garden view and finally a family bathroom. Up to the top floor and you have another single bedroom with a treetop vista. Here's also where you'll find the beautiful principle bedroom – a large capacious double with twin skylights, pristine white walls and a bright shower room en-suite.
