## Entrance Lobby

Access to the property is gained through a composite door. Having front and side facing upvc double glazed windows and a further door leading to the lounge.

## Lounge

A larger than average lounge which has a front facing upvc double glazed window, engineered wood flooring, a radiator and a wall with feature panelling. A staircase rises to the first floor and doors lead to the downstairs wc and dining room.

## Downstairs WC

Having a low flush wc, vanity wash basin, chrome radiator, front facing upvc double glazed window and tiled flooring.

## Open Plan Living Area

A huge family room which has three parts; a dining room, an open plan extended living area and the kitchen. To the dining room there is ample space for a table and chairs, a tall column radiator, a standard radiator, and engineered wood flooring. There is also a useful under stairs storage cupboard. To the extended living area there are rear facing upvc double glazed french doors leading to the outside, a tall column radiator and two velux windows bringing much light into the area. A breakfast bar separates this room and the kitchen.

## Kitchen

To the kitchen area there are stylish modern fitted wall and base units with an ultra thin solid compact laminate worktop incorporating an inset composite sink with mixer tap and induction hob with extractor above. There are integrated appliances including an AEG electric oven and dishwasher, and space for an American fridge freezer. With a rear facing

upvc double glazed window and velux, tiled flooring and a door leading to the utility room.

## Utility Room

A useful addition to the property, having fitted wall and base units with a quartz worktop incorporating a composite sink and drainer unit with mixer tap. There is space for a washing machine and a side facing upvc double glazed window. A door leads to the garage.

## First Floor Landing Area

A staircase ascends from the lounge and leads to the first floor landing area, which has a wooden bannister, doors leading to all rooms on this level and a loft hatch gaining access to the roof space, which is boarded and offers potential for storage and even another room subject to building regulations approval.

## Master Bedroom

A spacious, extended bedroom which takes advantage of the extension over the garage creating an L-shaped room. Having two front facing upvc double glazed windows, two radiators, ample space for a bed and even dressing area, and a useful cloaks cupboard.

## Bedroom Two
