We are delighted to bring to the market this charming 2-bedroom period cottage that has just undergone extensive renovation works, after having been owned by only one family previously (since being built in the mid-nineteenth century). This intriguing extended period cottage is a living part of Box's local history. 1 Pye Corner has been painstakingly and lovingly refurbished both inside and out. Original charm and character have been carefully and sympathetically blended with modern finishes, especially in its kitchen and bathroom areas. The property is double-glazed, has gas central heating and enjoys far-reaching views to its front across the village and head of the Bybrook Valley. Externally, there is a small garden to the front and a charming and enclosed private garden

Situation

This sought-after village is superbly well situated for access to Bath & Corsham with village amenities including an excellent primary school, village hall with library, Budgens, pharmacy, choice of cafes, church, pub, post office/store, curry house, doctor's surgery & the excellent "Rec" – an impressive open space resource with cricket, football, bowling club, tennis courts & playground. Corsham is located close by and caters for most day-to-day needs with a range of national and bespoke shops, coffee houses, boutiques, restaurants, and a variety of public houses. There are very good Primary and Secondary schools and the new Corsham Leisure Centre. Communications are excellent: Bath, Bristol and Swindon are all within easy motoring distance; there are fast road links to London and the West Country via the M4 motorway (J17 and 18 approximately 15 - 20 minutes away); and main line rail services are available from either Bath or Chippenham to Bristol Temple Meads and London Paddington.
