On entering the property, you are welcomed into a bright and inviting hallway which sets the tone for the rest of the home. From here, the accommodation flows through to a generous and light-filled living/dining room, enjoying an elevated outlook towards the village. This impressive triple aspect reception space offers excellent proportions with ample room for both lounge seating and a full dining suite, making it ideal for everyday living as well as entertaining. A focal electric fire is set on a stone hearth with a wooden mantelpiece, providing a cosy centrepiece to the room. Patio doors open directly onto the rear patio and garden, seamlessly connecting indoor and outdoor living while allowing an abundance of natural light to flood the space.

From the hallway, the first door on the left leads to Bedroom Four, currently utilised as a home office. This is a highly versatile room and could easily be adapted to suit a variety of needs, such as a playroom, study, dressing room or hobby space.

Continuing along the hallway is the kitchen, fitted with a range of wall and base units with worktops over, offering plenty of storage and preparation space. The kitchen is well equipped with an integrated fridge freezer, space and plumbing for a washing machine and tumble dryer, a double Electrolux oven with separate grill, a hob with extractor fan above, and a one-and-a-half bowl sink with drainer. The room is finished with tiled surrounds and also benefits from a door providing direct access out to the rear garden, making it particularly practical for everyday use.

Also located off the hallway is a useful built-in storage cupboard, ideal for coats, shoes and household items. The main bathroom is also found on this level and is fitted with a bath with shower over and folding screen, WC, towel radiator, and wash hand basin set within a vanity unit, providing both functionality and storage. A staircase rises from the hallway to the first floor accommodation.

On the first floor, Bedroom One is a bright and spacious double room with a small amount of restricted height under the Velux windows, this room enjoys a triple aspect with windows to each side, providing far-reaching elevated views over the surrounding area and towards the village. There is also the benefit of a fitted wardrobe, offering useful built-in storage.

Adjacent is the shower room, fitted with a shower enclosure, WC, towel radiator, and wash hand basin set within a vanity unit, finished in a practical and modern style.

Bedroom Two is located to the front of the property and is a well-proportioned double room, further complemented by a useful storage cupboard. Bedroom Three is situated to the rear and also enjoys a pleasant outlook via a Velux window. This room has a small amount of restricted head height but remains a good-sized and versatile space. Additionally, there is a useful storage room located over the stairs, providing further practical storage options.

Externally, the property is approached via a sweeping driveway to the front, which splits to provide off-road parking and access to a garage. A continuation of the driveway leads up towards the front entrance, which is accessed via steps, with the frontage being bordered by mature trees.

To the rear, the garden is accessed via gates on both sides of the
