Inside the Home

The Forge is a charming and characterful property occupying a prominent yet corner position, just off the High Street in the popular village of Fovant. The generous sitting room provides a welcoming centrepiece, with a large fireplace creating an attractive focal point. There is also a conservatory and a separate dining room, together with a well-appointed kitchen/breakfast room and a useful study which could equally serve as a fourth bedroom if required. The first floor provides two further bedrooms, served by a family bathroom, whilst on the ground floor there is an additional bedroom with a shower room conveniently positioned adjacent, offering an ideal arrangement for guests, dependent relatives or those seeking predominantly ground-floor living. Whilst the property would benefit from some updating, this represents an exciting opportunity to create a truly individual home in a wonderful village setting which caters for a variety of lifestyles.

Outside Space

Approached via a gated driveway, there is excellent parking for several vehicles, together with a useful detached outbuilding which offers considerable versatility. Currently providing valuable storage, this could potentially be converted to additional accommodation, a home office, studio or annexe-style space, subject to the necessary planning consents. The gardens are very private, adjoining the brook and incorporating two lawned areas plus an outside dining area and concrete pad which housed a workshop which could be reinstated. To the front of the property sit the original stocks for the village, the stocks are Grade II listed but the house is not.
