Overview

This bright south facing apartment is presented in fantastic condition, with a well proportioned lateral layout including a modern kitchen and generous bathroom, a modern specification and direct views toward the Thames.

This highly prized building has been popular since it was first developed in the mid-1990's due to its quiet, secluded location nestled between the Strand and the river, but only moments for the hustle & bustle of Covent Garden and with convenient access to the City of London.

The block is served by two passenger lifts and a 24 hour concierge, with this particular example benefitting from a secure car parking space under the building. There is the additional option of a secure store room at a further cost of £125 per year.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
