INTRODUCTION

This attractive period cottage beautifully blends characterful features with tasteful modernisation carried out by the current owners. Occupying an elevated position, the property enjoys a delightful outlook and offers well-balanced accommodation, further enhanced by a west-facing garden that provides an ideal setting for relaxation and outdoor enjoyment.

THE PROPERTY

The property offers charming and characterful accommodation arranged over two thoughtfully designed floors. The ground floor is centred around a generous sitting room, enhanced by a subtly stepped dining area that creates a versatile and sociable living space. French doors open directly onto the garden, allowing natural light to flood the room and providing a seamless connection to the outdoors. The adjoining kitchen is beautifully appointed with bespoke wall and base units, complemented by a striking solid marble worktop and a range of integrated appliances.

To the first floor are two well-proportioned double bedrooms, one of which enjoys particularly impressive views across the surrounding countryside. Completing the accommodation is a modern bathroom, fitted with a

stunning contemporary suite incorporating both a bath and an elegant walk-in shower.

OUTSIDE

The property enjoys a delightful west-facing garden, perfectly positioned to capture a sunny aspect throughout the afternoon and evening. Thoughtfully planted with a variety of shrubs and small trees, the garden offers both colour and interest. A recently installed wooden terrace provides an inviting space for outdoor dining and relaxation, while a useful garden shed discreetly positioned toward the rear.

SITUATION

Chedington which lies 5.5 miles from Beaminster, 5 miles from Crewkerne (main line station Exeter-Waterloo) and 17 miles from the county town of Dorchester is in an elevated position and from many vantage points are stunning views over the surrounding countryside. The village comprises character cottages, larger period properties, some being listed of Architectural and Historical Importance, a few individual modern houses and bungalows, but there are no large housing developments.
