"We have loved living at what we call the village, fab neighbours & community. The locations perfect, everything is in walking distance the buzz of North Street & harbourside to the quiet of Ashton Court and countryside. We love the light and spaciousness. I especially love the side entrance. The garden is a fab suntrap not overlooked and the wildlife love it to. I've got great memories of watching my children, puppies and chickens over the years playing in the garden and of great parties & BBQs"
