NO ONWARD CHAIN. An extended, three-bedroom, end-of-terrace family home which enjoys a quiet and peaceful location in Coldean village, and benefits from a separate garage. Favourably positioned to the upper end of this predominantly family-inhabited close, the property takes in wonderful widespread countryside views beyond the communal green to the front, and offers fabulous farmland views to the rear. Having been in the same family for close to six decades, the property, in our opinion, has been beautifully maintained and is immaculately presented throughout. The surprisingly spacious family-orientated accommodation offers a generous living room with bay window which takes in those stunning views and connects via French doors to a generous full-width kitchen/dining room with modern fitted units, a separate utility room and ground floor WC. The property further benefits from a cosy, sun-drenched conservatory which connects to the charming, well-planted and low-maintenance rear garden which backs onto farmland.
