Main Description

Set along a peaceful lane, this attractive two-bedroom terraced house is conveniently located within easy reach of Wadhurst train station. The home offers well-presented accommodation while preserving its charming character throughout.

The living room creates a warm and inviting first impression, with front-facing windows allowing in plenty of natural light. This flows seamlessly into a generous dining room featuring a woodburner, and onward into the kitchen—an ideal layout for both everyday living and entertaining.

Upstairs, the property offers two double bedrooms. The principal bedroom benefits from built-in wardrobes and enjoys views to the front overlooking a wooded area, while the second bedroom looks out over the garden. A family bathroom completes the first floor.

To the rear, a long, split-level garden provides a versatile outdoor space, perfect for relaxing, gardening, or hosting guests.
