Summary

Premier House is located in an exclusive road where some of the best houses in Lilliput can be found.

With built form extending to circa 3,300 sq ft it offers the luxury of space although it has been the subject of an extensive program of works including programmable lightning and home automation by Control 4 and improvements by the current owners.

There is a total of four generous bedrooms and bathrooms and the opulent principal suite even includes a walk-in closet. The first floor study could double up as a potential bedroom five and adds to the flexible layout.

Downstairs there is a choice of receptions, a home office and a simply stunning contemporary kitchen diner complete with centre island and banquette seating for up to eight people. This especially impressive room connects to the rear garden and private sun terrace via large format bifold doors. Level gardens with a large lawn are rare in the area so this is a stand out feature.

In addition to the outdoor living space on the terrace there is a specially constructed garden room which is fitted out as a private cinema and / or entertaining space. The photographs of the interior paint a picture of the exceptional standard of interior design throughout.
