## 7 Roskear Fields

Camborne, TR14 8DA

**£215,000**

Offered for sale with no onward chain, this semi detached house would now benefit from updating and improvement. It offers well proportioned family living accommodation with two first floor bedrooms plus a bathroom and a third bedroom to the ground floor with the bonus of an en-suite shower room. There are also two good reception rooms and a kitchen. The property has partial double glazing and this is complemented by gas heating. Externally there are well stocked gardens, a garage and parking to the front and side.

Tucked away from Roskear Road, this semi detached property is now ready for you to update to your own taste and requirements and is offered chain free. To the first floor there are two bedrooms and a bathroom. To the ground floor there are two reception rooms, a kitchen and a rear extension providing a bedroom/living room with an en-suite making it ideal for perhaps a dependent relative. The property has a gas heating system and some double glazing. Externally it has the benefit of parking to the front and side together with a garage. The rear garden is quite generous, is mostly laid to lawn and well enclosed. We would suggest this offers plenty of scope for the keen gardener. Roskear is a popular part of Camborne and being tucked away, we feel this property has much to commend it. Level access is given to bus services, shopping facilities at Tesco and the town centre is within two thirds of a mile. Fairly priced to allow for updating, it has the following accommodation:

The rear garden is particularly noteworthy being of generous proportions and offering a lot of scope for the keen gardener. There are borders, bushes, trees etc and what appears to be raised vegetable garden. We consider the garden to be an important feature of this property being in mind the generous proportions.
