37 Tehidy Gardens

South Tehidy, Camborne, TR14 0ET

£369,950

Situated in a highly sought after area and close to the largest area of woodland in West Cornwall, we are delighted to bring to market this detached three bedroomed bungalow, set back from the road on a spacious plot and with a good degree of privacy. Offering comfortable and spacious single level living, there is also a generous but low maintenance outdoor space with versatile outbuildings. Internally, this property is particularly light and airy and benefits from individually controlled electric radiators only installed in 2022. An entrance porch come sun room is the point of entry leading to a reverse L-shaped hallway. The double aspect lounge/living room really does take in considerable natural light whilst also giving direct access to the rear garden via sliding patio doors. The double aspect open plan kitchen/diner is well fitted with integrated cooking appliances as well as further free standing appliances and which the vendor has advised are included in the sale. The kitchen is presented in a U-shaped format and has an abundance of storage space and options. Again, the dining room gives direct access to the rear garden. Of the three bedrooms, the master has overbed storage as well as built-in wardrobes and further benefits from a fully tiled en-suite shower room. The second bedroom also has a built-in wardrobe. The third bedroom is currently used as a study by the vendor but could easily be repurposed back to a bedroom. The bedrooms are complemented by a fully tiled family bathroom with an electric shower over the bath. Externally, a driveway with space to park three vehicles leads to a single garage with an electric up and over door. Furthermore, the garage has open access to a workshop area whilst to the rear, there is a partitioned off utility area with a tumble dryer, an American style fridge and a tall freezer, all of which are also included in the sale. Access is gained to the rear garden via a door adjacent to the garage door. A side patio from the driveway leads to a gate which in turn leads to entry to the front patio from where access is gained to the porch. There is a very useful standalone outbuilding adjacent to the front of the property. The low maintenance south facing rear garden is primarily patio slabbed and has a central pond feature with a planting area and standout palm trees. There is a small synthetic lawn and a greenhouse whilst access is gained to the rear of the garage via a pathway and there is a further shed come workshop with plumbing for a washing machine. In terms of location, there is nearby access to both Tehidy Country Park and Golf Course and this location is also within three miles of the coastal town of Portreath, with its access to the famous South West Coastal Path. Nearby towns include Camborne and Redruth with a good range of amenities which are more or less equidistant from the property.
