Property Description
A UPVC double-glazed front door opens into a welcoming entrance porch, featuring exposed brick walls and a tiled floor. From here, a timber glazed panel door leads into a cosy entrance hallway, laid with plush carpet and offering a handy storage cupboard with ample shelving and a radiator, ideal for airing clothes. The loft space is also accessible from the hallway via a drop-down ladder and is partially boarded for additional storage.

The lounge is a bright and inviting retreat, where coved ceilings add a touch of character. A wall-mounted electric fire with a flame effect serves as an elegant focal point, while patio doors allow natural light to flood the space, seamlessly connecting the indoors to the garden beyond.

The kitchen is well-equipped, fitted with a combination of wood-effect wall and base-mounted units, complemented by a tiled splashback. A stainless-steel sink sits beneath a large window, while integrated appliances include an electric oven with a four-ring gas hob. There's also ample space for a washing appliance, a freestanding fridge freezer, and even a dining table and chairs for casual mealtimes.

The primary bedroom is a spacious and peaceful retreat, offering plenty of room for a king-size bed, bedside cabinets, and freestanding wardrobes. A charming box bay window allows plenty of natural light to stream in, with picturesque views across farmland and Tower Hill Woodland. The second bedroom is another well-proportioned double room, easily accommodating a double bed, bedside cabinets, and additional storage furniture, while enjoying the same tranquil views as the primary bedroom.

The bathroom is finished in a part-tiled design, featuring a low-level shower tray with a glass screen and an electric shower. A ceramic hand wash basin with storage beneath, a WC, and a chrome heated towel rail complete the space.

A side door from the kitchen leads to a small, gated area—perfect for keeping pets safe—before opening onto the driveway. The garage is fitted with an electric up-and-over door, has the benefit of power, and offers convenient access to the rear garden via a side door.

The south-facing garden is a true suntrap, ensuring plenty of sunshine throughout the day and into the evening. Designed with low maintenance in mind, it features a neatly kept patch of artificial grass, a spacious block-paved patio for outdoor dining, and flowerbeds bordered with wood chippings and mature shrubbery. Enclosed by a mix of timber and concrete panel fencing, this private outdoor space is perfect for relaxing and entertaining.

Offered with no forward chain, this well-loved home is ready for its next owners, as the vendors have already secured their onward accommodation.
