PROPERTY DETAILS

Tucked away in a charming and peaceful courtyard, this beautifully presented two-bedroom ground-floor apartment offers an ideal combination of independent living and supportive care for the over-55s. One of only two purpose-built two-bedroom apartments in the development, it has been thoughtfully designed for those who may need a little extra support while still valuing their independence.

Ready to move straight into, the property provides comfort, convenience, and reassurance in equal measure. Set within a small and friendly community of like-minded residents, it enjoys a tranquil setting without compromising on accessibility.

No. 6 benefits from a communal entrance hall shared with only one other apartment, creating a sense of privacy and exclusivity. Inside, the spacious sitting room is light and inviting, with large windows framing serene views of the courtyard and its beautiful blossom trees. An elegant fire surround with an electric fire adds warmth and character to this charming space.

The generous inner hall leads to a bright and airy dining kitchen, thoughtfully designed with high-quality units, modern appliances, and oak-effect flooring. Overlooking the courtyard, this room is perfect for both everyday living and entertaining.

The master bedroom is a true retreat, featuring French doors that open onto a lovely seating area, ideal for enjoying the morning sun or a quiet evening outdoors. A second well-proportioned single bedroom, perfect for visiting friends or relatives, and a contemporary shower room complete the accommodation. The property also benefits from a loft providing additional useful storage.

Externally, the property enjoys communal gardens to both the front and rear, along with a dedicated parking space. The Stables, a small purpose-built ground-floor courtyard development attached to Threshfield Court, offers the ideal balance of independence and community support.

Convenience is a key feature of this location: a charming coffee shop is just across the road, as is the secondary school swimming pool (open to the public two evenings a week), while the nearby Spar supermarket caters to everyday needs. The vibrant centre of Grassington is also within easy reach, offering a variety of amenities, eateries, and leisure activities. For those seeking a stylish apartment in the heart of the Yorkshire Dales National Park, with a supportive yet independent lifestyle, this property presents a rare and appealing opportunity.
