No Onward Chain. This two-bedroom end-terrace home forms part of a converted school building within a gated residential development in the village of Harewood. Extending to approximately 1,300 sq ft, the property enjoys elevated views across the surrounding countryside and towards the Harewood Estate.

The accommodation is arranged over two floors and offers a flexible layout. A spacious entrance porch leads into the main hallway, providing access to the principal ground-floor rooms. There are two reception rooms, a breakfast kitchen and a guest WC.

To the first floor are two well-proportioned bedrooms, both benefiting from en-suite facilities. The layout offers a practical arrangement for a range of purchasers, including those seeking guest accommodation or additional privacy between bedrooms.

Bridge Court is set within a small gated development and is accessed via a secure courtyard. The communal grounds are located predominantly to the side and rear of the building and are maintained for the use of residents. The property further benefits from a tandem garage with an electronically operated door, private resident parking and additional visitor parking.
