Ref: DD1204 Dominic Dore eXp. Situated in the prestigious Lansdown area of Cheltenham, this generously proportioned two-bedroom top-floor apartment forms part of the well-regarded Thorncliffe development, just a short walk from Cheltenham Spa railway station, Montpellier and the town centre.

Offered to the market chain-free, the apartment occupies a particularly desirable position on the fourth and top floor, enjoying stunning far-reaching views and an unusual degree of privacy. With no adjoining apartments to either side, it has an almost penthouse-like feel.
