To the right of the hall are two well-appointed ground floor bedrooms, both light and airy rooms enjoying pleasant natural light. One of the bedrooms benefits from built-in wardrobe storage, providing useful hanging and shelving space. Serving this level is a neatly presented family shower room, fitted with a generous shower enclosure, wash basin with shelving beneath, WC and a useful cupboard housing the boiler. Moving through the hallway you arrive at the spacious kitchen/dining room, a sociable and well-designed space, perfect for modern family living. The kitchen area is fitted with a range of modern wall, base and drawer units, complemented by integrated oven and hob, with additional space provided for a free-standing fridge/freezer. The layout offers ample work surface and storage, making it both practical and stylish. A door from the kitchen leads into the conservatory/utility room, a useful additional space fitted with plumbing for laundry appliances. This room also provides access directly out to the rear garden. From the dining area a door opens into the sitting room, a beautifully bright triple-aspect room flooded with natural light throughout the day, and also benefiting from a door providing access out to the front of the property. Completing the ground floor accommodation is a versatile study area, ideal for those working from home or as use as a hobby room.

The stairs rise to a spacious landing, illuminated by a Velux window which allows natural light to filter into the upper level, with further Velux windows continuing into the bedrooms. From the landing, doors lead to two further double bedrooms, both well-proportioned rooms benefiting from Velux windows and ample eaves storage space, providing useful storage. One of the bedrooms enjoys the added advantage of its own en suite shower room, fitted with a shower enclosure, wash basin and WC.
