A welcoming entrance hall leads into the main living areas, with a useful downstairs WC and beautiful parquet flooring extending through the principal reception rooms. The bright and spacious sitting room features a large picture window overlooking the front garden, while an open fireplace creates a warm and inviting centrepiece. The dining room is accessed via an attractive archway and continues the parquet flooring. French doors open directly onto the rear patio, creating a seamless connection between the house and garden and making the room particularly well suited to entertaining and alfresco dining. The generously proportioned kitchen is fitted with a good selection of contemporary units and integrated appliances, with a separate external door providing convenient access to the garden.

Upstairs, the spacious landing includes useful built-in storage and provides access to three good-sized bedrooms. There are two double bedrooms, one of which benefits from fitted wardrobes, together with a versatile single bedroom that would make an ideal nursery, study or home office. The family bathroom is fully tiled and finished in a smart, contemporary style.

Outside, the property continues to impress. The front garden is neatly maintained and complemented by a driveway offering parking for several cars. A side gate leads through to the sunny rear garden, which is predominantly laid to lawn and includes a paved patio, perfect for outdoor seating and entertaining. A substantial shed at the end of the garden provides valuable additional storage and could also be used as a hobby space.
