12 The Gallops, Titchfield Common, Fareham, PO14 4DP

**£406,000 Freehold**

Positioned at the end of a quiet cul-de-sac within The Gallops, Titchfield Common, this three-bedroom linked detached home is offered with no forward chain and sits on what is arguably one of the largest plots on the development, both front and rear.

Externally, the property truly stands out. The rear garden is an exceptional size, predominantly laid to lawn and enclosed by brick walling, providing fantastic space for families while also offering significant scope to extend without compromising outdoor space. To the front, there is a generous driveway alongside a substantial lawned area, which could easily be adapted to create additional parking for multiple vehicles, a caravan, boat or trailer.

Internally, the property has been well maintained and improved, with new double glazing throughout, replacement carpets and redecoration in neutral tones, allowing a buyer to move straight in. The accommodation comprises a small entrance hall leading through to a spacious square lounge at the front of the property, with the dining area and kitchen positioned to the rear overlooking the garden. These two rooms lend themselves perfectly to being opened up, creating a modern kitchen/dining/family space if desired.

Upstairs, there are three well-proportioned bedrooms along with a modern family bathroom.

The location is ideal for families and commuters alike, with easy access to the A27 and within close proximity to both St John's and St Anthony's primary schools.
