A Fully Renovated Two Bedroom Detached Bungalow Offering Effortless Single-Level Living. Complete Peace of Mind and Everything You Need Within Easy Reach!

18 Walk Lane, Wombourne, Wolverhampton, WV5 9HL
Asking Price: £425,000

For those seeking a comfortable, easy-to-manage home with no stairs and nothing to do, this beautifully maintained detached bungalow in the heart of Wombourne village represents a genuinely rare find.

Everything is arranged across a single level, removing the effort and worry that comes with a two-storey property and providing the kind of ease and security that makes day-to-day living a pleasure. Having undergone a comprehensive programme of renovation in early 2026, the main living areas, bedrooms and hallway were stripped back to the studs, the entire property was fully rewired throughout, and new recessed ceiling spotlights and fresh carpets were fitted to the principal rooms. Buyers can move straight in with complete confidence, knowing the electrics are entirely new and there are no hidden surprises. This is a home that has been properly looked after and is ready to be enjoyed from day one. The accommodation is generously proportioned and flows naturally from a welcoming entrance hallway with useful built-in storage. Two well-proportioned bedrooms sit at the front of the property, each freshly carpeted and fitted with leaded windows that let in excellent natural light. The bathroom is neatly appointed with a white suite, shower over bath and vanity unit. The living room is a particularly comfortable space at nearly 20 feet in length, centred around a traditional cast iron surround with gas coal-effect fire, warm and easy to manage without the mess or effort of a real fire. Sliding internal doors open through to the conservatory, offering a bright and peaceful spot to sit whatever the season. The kitchen is well-fitted with country-style cabinetry and a full range of appliances including a Stoves oven with combination grill, gas hob, dishwasher and under-counter fridge. The adjacent utility room adds further convenience, with space for laundry appliances, a recess for a fridge-freezer and its own separate door to the side of the property, providing easy access without the need to come through the main entrance. Outside, the rear garden has been thoughtfully designed for low maintenance, mainly paved and enclosed by fencing for privacy and security, with mature shrubs and trees, exterior lighting, a water supply and a garden shed for storage. Two gated side entrances provide convenient access from the front. The detached garage offers secure parking and generous additional storage, served by a private driveway with room for multiple vehicles - ideal for family visitors. The location is one of the property's finest assets. Situated on the corner of Walk Lane and Rennison Drive, the home is perfectly placed within the well-served village of Wombourne, where everything needed for comfortable daily living is within easy walking distance. The village centre offers a welcoming and familiar range of independent shops, a bakery, cafes, a library, a pharmacy and medical facilities, alongside popular local eateries. Wombourne is widely valued for its strong community spirit and safe, friendly atmosphere - the kind of village where neighbours look out for one another. For those who no longer drive or who prefer not to, reliable local bus routes connect to Wolverhampton, Dudley and Stourbridge, and family members will find the village straightforward to reach by road with ample parking on arrival.

This is a home that offers genuine peace of mind - fully rewired, freshly decorated, entirely on one level and set within a warm and well-connected community, with No Upward Chain.
