For Sale Freehold Guide Price £295,000

Nestled within a cul de sac location in the sought after village of Overton is this superbly presented two bedroom detached bungalow, offering well proportioned accommodation throughout with a full new central heating system (boiler and radiators), new fuse board and partial rewire, modern open plan living and generous off road parking.

The accommodation briefly comprises an entrance hall with access to a useful utility cupboard and a contemporary kitchen breakfast area, which flows through to a stylish lounge dining space. From here, an inner hallway provides access to two good sized bedrooms and a modern shower room, with one bedroom benefiting from loft access and French doors opening onto the rear garden. Externally, the front garden is attractively tiered and landscaped, incorporating gravelled and planted beds with a glass balustrade, along with steps leading to the side entrance. A concrete driveway provides off road parking for several vehicles and leads to a detached garage with power, lighting and a separate storage area. To the rear, the garden is low maintenance and predominantly paved, ideal for outdoor dining and entertaining, with planted beds and full enclosure making it suitable for both pets and children.

Overton is a desirable village location, particularly popular with those looking to downsize or enjoy single level living, whilst remaining close to local amenities. A wider range of facilities can be found in nearby Ossett, Dewsbury and Wakefield. The area is well served by local bus routes, with train stations in Wakefield and Dewsbury providing links to Leeds, Manchester and London. The M1 motorway is also easily accessible for those commuting further afield.

Only a full internal inspection will fully appreciate the quality and setting this modernised home has to offer. An early viewing is highly recommended.
