Avalon Parkside Road

The Property:

Occupying an unparalleled position on the edge of Cleator Moor, this four bedroom semi detached home enjoys far reaching views towards Dent and is just a short distance from the stunning scenery of the Ennerdale valley. Properties in this quiet setting between Cleator Moor and Frizington rarely come to market, making this a truly special opportunity, particularly given its convenient access to nearby towns and major local employment.

The property, which is presented for sale with no onward chain, has been in the same ownership for many years and offers a wonderful chance for a young family or discerning buyer to create a forever home in a highly sought after location. Accommodation begins with an entrance porch opening into a spacious hallway, leading to a lounge featuring a bay window and open fire, a separate dining room, and a generously sized kitchen to the ground floor. Upstairs, there are four well proportioned bedrooms and a family bathroom.

Set within an extensive plot, the property benefits from generous gardens to both the front and rear. The front garden features a gravelled pathway and a long private driveway leading to an adjoining garage with a useful utility room to the rear, as well as a separate WC. The substantial rear garden includes a large lawn, patio area, summerhouse, and continues around to the side where a sizeable area, previously used as an allotment, offers versatility for a variety of uses. With excellent scope for further improvement or extension (subject to planning permission), this is a rare opportunity to secure a home in a location that simply does not come up often.
