11 BROAD CLOSE

11 Broad Close comprises one of a small number of exclusive detached bungalows originally constructed by a well-respected local builder, Thomas Bow, to traditional high standards offering a stunning delightfully situated single storey home in a highly regarded cul-de-sac setting in the centre of this ever-popular Nottinghamshire village.

There is a remarkable south facing open rear aspect, in our opinion something rather special. An internal inspection is highly recommended to appreciate the high standard of presentation and the well-proportioned internal plan which optimises the benefits of the open rear aspect.

WOODBOROUGH

Woodborough is a highly regarded village set in relatively unspoilt undulating Nottinghamshire countryside some seven miles, or so to the northeast of Nottingham. The village offers a useful range of amenities - which include two village inns, a village hall, a tennis club, an 'active' church, a village store - post office, health club and a popular primary school.

Close to hand there are more extensive amenities and professional services in Arnold and on Mapperley Plains and from the village there is direct road access across Mapperley Plains into Nottingham centre.

In turn, the surrounding regional centres of Southwell, Newark on Trent (with fast main line rail access into London Kings Cross), Mansfield and Grantham (with A1 connection southbound) are readily accessible from the property - as is the M1 Motorway network and the East Midlands Airport.

There is direct access to the A46 dual carriageway, which effectively links Lincoln to Leicester and the M1 Motorway (S), ensuring commuting convenience from Woodborough (via the East Bridgford junction) to regional population centres and beyond. The village is very much on the map for the commuter seeking a rural village lifestyle, whilst remaining conveniently placed for daily traveling.
