

Set within a tucked-away cul-de-sac position, this beautifully improved home offers stylish open plan living, a contemporary kitchen/dining space, a private rear garden, garage and parking, all within easy reach of Flitwick town centre and railway station.

The Home

Positioned within a quiet cul-de-sac setting, this beautifully presented two bedroom home has been thoughtfully updated and improved to create a fresh, modern and highly usable home, ideally suited to first-time buyers, downsizers or investors alike.

The ground floor has been designed around a sociable open plan layout, giving the home a bright and contemporary feel from the moment you step inside. The living area provides comfortable space to relax, with wood-effect flooring, inset ceiling spotlights and a practical under-stairs storage cupboard helping to keep the space clean and uncluttered.

To the rear, the kitchen/dining area forms the real heart of the home. Fitted with a modern range of units and integrated appliances, it includes an oven, gas hob with extractor, fridge/freezer and dishwasher, while the central island provides additional preparation space and a natural spot for casual dining. French doors open directly onto the garden, creating an easy connection between the inside and outside spaces.

Upstairs, there are two well-proportioned bedrooms. The principal bedroom sits to the front and includes built-in wardrobes, while the second bedroom offers good flexibility as a guest room, nursery, dressing room or home office. The bathroom has been tastefully fitted with a white suite, vanity storage, bath with mains-fed shower over, tiled walls and floor, and a heated towel rail.

Gardens & Outside

To the front, a shingled driveway provides off-road parking for two vehicles, with access to the garage positioned nearby. The garage now provides useful storage space, ideal for bikes, garden equipment or general household use.

The rear garden is fully enclosed and arranged with a patio area immediately outside the French doors, providing space for outdoor seating and dining, with the remainder laid to lawn. There is also an outside tap and gated side access leading back to the front of the property.

Situation

Astwood Drive is well placed for access into Flitwick town centre, where a range of everyday amenities can be found, including shops, cafes, schooling and leisure facilities. Flitwick railway station is also within reach, providing direct rail links into London St Pancras International, making the home particularly appealing for commuters.

The surrounding area also offers access to local countryside, nearby villages and wider road links including the M1, making this a practical yet peaceful setting for day-to-day living.

Why You'll Love This Home

This is a home that feels easy to move into and simple to enjoy. The open plan ground floor gives it a much more modern flow than many comparable homes, while the garden, garage and parking add the practical features buyers continue to look for. Combined with its cul-de-sac setting and convenient access to Flitwick station, it is a smart, well-balanced home with broad appeal.
