Description

17 Wellington Road is a semi-detached early Victorian residence, dating from around 1840. The property displays many fine architectural features throughout, all set behind an attractive double-fronted white stucco façade. The property was comprehensively restored and refurbished in circa 2012, bringing the property up to modern-day standards whilst retaining and enhancing many of the period features.

The accommodation is principally set over two floors but with a cellar adding extra useable floor space. The property in all extends to approximately 2,045 sq ft (190 sq m) including the cellar and brick outbuilding. The house is entered via a solid wood front door into a spacious reception hall with useful storage cupboard and a guest cloakroom WC.

The main reception room is a fabulous through living room which spans nearly 22ft in length and has a feature fireplace with coal effect gas fire, sash window to the front and glazed double doors to the rear. The second reception room is a well proportioned dining room with sash window to the front and feature fireplace with coal effect gas fire.

The breakfast kitchen has a sash window to the rear and a part glazed door giving access to the garden. The kitchen is fitted with wood fronted base and wall units with black granite effect roll-top work surfaces. There is an integrated dishwasher, electric oven, four ring gas hob with extractor, and an integrated fridge freezer. Off the kitchen is a utility area which has matching base units and glass fronted wall units as well as an integrated washer/dryer.

The cellar is a generous size with good headroom and provides potential as a playroom, home office, gym, or cinema room.

On the first floor are the four bedrooms, one of which has an en suite shower room. There is also a smart house bathroom with travertine tiled floor and walls, double ended bath, WC, wash basin with vanity unit, and separate shower enclosure.

Outside

To the front of the property is a gravelled driveway providing off road parking for two cars. There is a side passageway leading to the rear. The rear garden has a paved terrace with a large lawn beyond. There is a substantial brick outbuilding, ideal for garden storage but also offering scope for conversion to additional accommodation if required (subject to consents).
