More space than first impressions suggest and plenty of potential to make it your own. This traditional three bedroom semi-detached home has been significantly extended at ground floor level, creating surprisingly generous and flexible accommodation in a popular location close to Cheadle village, well-regarded schools and excellent commuter links. Inside is a spacious through living room opening into an additional sitting/dining area, separate breakfast room and good sized fitted kitchen. Upstairs are three bedrooms and a bathroom/WC. The property would benefit from some cosmetic updating, but the existing footprint offers exciting scope to rethink and personalise the layout to create a superb contemporary family home. Outside are lawned gardens to the front and rear, together with useful off-road parking.
