We are delighted to present this stunning home set in the most picturesque of locations within the popular village of Gamlingay.

This Pottton timber home exudes quality which is evident the moment you enter the large hallway, with its Oak flooring, staircase and exposed timbers. The hallway gives direct access to the Cloakroom, study, lounge, kitchen/dining room and the Double garage/games room.

Now the garage is currently used as a room and if you look at the layout it has a shower room attached and a bedroom above, thus making this an ideal space as an annex for multi generational living.

The lounge, being triple aspect, exudes light and the central Brick inglenook fireplace is simply "stunning". The kitchen/Dining room, with its bespoke kitchen units and fitted appliances and at 22' is the real hub of the home. The study, again is a large room and could be used a second lounge, snug, playroom, the choice is yours. A utility room, sun room and shower room complete the ground floor accommodation.

The first floor is equally impressive with the master bedroom having an En Suite. In total there are five bedrooms but the current owners have had an extensive range of fitted bedroom furniture fitted to one of the bedrooms and use it as a luxury dressing room. As already mentioned, the bedroom above the garage/reception really does lend itself to becoming an Annex bedroom. Three other bedrooms and the family bathroom complete the first floor.

Outside is just "WOW" Fields to side and rear exude peace and quiet and sitting on a total plot of 0.34 of an acre, there is space a plenty. Outside solid timber covered area with views to open field is a real great area for entertaining. Gated access to a shingle driveway with plenty of space for numerous cars and overall, there is a real feel of privacy.

Located on the Cambridgeshire/Bedfordshire border, this popular village is well positioned for those looking for Country Life with good road links into Cambridge.
