WHAT'S GREAT?

Situated in a popular residential area of Raunds, this generously sized four-bedroom semi detached offers great living space and fantastic potential for a buyer to create a home tailored to their own tastes and style. Conveniently located close to local schools, amenities and road links, this home has been enhanced by a two-storey extension making it the ideal family home.

Upon entering, the hall provides access to all ground-floor accommodation. The spacious lounge/diner flows into the conservatory which offers an additional reception area overlooking the garden. The kitchen benefits from a utility area and access to the cloakroom. A particularly practical feature is the full-length storage corridor running the length of the house, with courtesy doors providing access from both the front of the property and the rear garden.

To the first floor are four well-proportioned bedrooms and a family shower room. Bedroom two already benefits from a shower cubicle and wash hand basin, presenting an excellent opportunity for a purchaser to create a dedicated en-suite if desired.

Outside, the rear garden is mainly laid to lawn with patio seating areas and established shrub borders, providing a pleasant outdoor space to enjoy. A great garage alternative is the brick built storage in the garden & to the front, a driveway offers off-road parking.

Offering spacious accommodation in a lovely location and plenty of scope to personalise, this is a fantastic opportunity to create a long-term family home.
